DPAC's Courtesy Shuttle Moves to the East Deck

For guests with mobility impairments or guests uncomfortable walking from our nearby parking areas, DPAC's **COURTESY SHUTTLE** is now even closer to our building. With more than 90 dedicated handicap-accessible event parking spaces, the American Tobacco East Deck offers a more convenient shuttle experience for our guests.

When you arrive at the **EAST DECK**, look for special DPAC logo signs with a Handicap Symbol directing you to the new reserved parking area on the second floor of the deck. Once parked, take the elevator down to the **SHUTTLE STOP** where there are benches to sit on while you wait. Our **COURTESY SHUTTLE** will bring you close to the entrance of DPAC and will return you to the East Deck after the show.

PLEASE NOTE

This service is not designed for guests who use a wheelchair. For parking information for guests who use a wheelchair please email us at CustomerService@DPACnc.com.

For more information please email GuestServices@DPACnc.com.

*"The shuttle was wonderful.
I have a spine condition and couldn't walk.
Thank you so much!"*
