“A jaw-dropping spectacle that hits all the right buttons.”

— USA Today

Great Scott! *Back to the Future*, the beloved, cinematic classic is now a Broadway musical with its destination set for DPAC in 2025. When Marty McFly finds himself transported back to 1955 in a time machine built by the eccentric scientist Doc Brown, he accidentally changes the course of history. Now he's in a race against time to fix the present, escape the past, and send himself... back to the future. Winner of the 2022 Olivier Award for Best New Musical, when *Back to the Future* hits 88mph, it'll change musical theater history forever.
