TICKET CENTER PURCHASE GUIDE

HAMILTON Ticket Center sales at DPAC will be organized using a random number selection based on numbered wristbands. Receipt of a wristband does not guarantee you will be able to purchase seats, only a place in line. Tickets are limited.

- Camping not permitted.
- Lineup lists will not be honored.
- ONE (1) random number wristband per customer.
- Bring a valid photo ID that matches your credit card.
- Your credit card must match your account name and address.
- You must be 10 years of age or older to receive a random number wristband.

Get your wristband August 18, 7:00-8:30 a.m.

Outside DPAC Main Entrance Doors

Those arriving after 8:30 a.m. will not be eligible to purchase until everyone with wristbands has been served. A random number does not guarantee a ticket, only a place in line. Arrival prior to the start of wristband distribution is not advised or necessary since the purchase line will be based on random selection. However, you must be in the wristband line by 8:30 a.m. to get a wristband. Your random number will only be honored at the Blue Cross NC Ticket Center at DPAC. Random numbers are non-transferable.

Purchase Order Groups will be selected at random based on wristband numbers

The purchase order line will be organized based on a RANDOM selection of wristband numbers, by purchase groups. A purchase group will include a consecutive wristband range. EXAMPLE: Wristbands #320 through #380 would constitute a purchase group. The first purchase group will be pulled around 8:30 a.m. DPAC staff will line customers up in numerical order based on your purchase group. You must be wearing your wristband. We will draw purchase groups at random until the available tickets are allocated.

Purchase up to four (4) HAMILTON tickets

You will receive a preorder form when placed in the purchase line. Please fill out your form completely to expedite your purchase when you get to the ticket center. Pick-Your-Seat is not available. The system will seat you in the best available seats at selected price level/performance.
